Some Statements of Faith on God’s Action in History

I believe that God can and will let good come out of everything, even the greatest evil. For that to happen, God needs human beings who let everything work out for the best. I believe that in every moment of distress God will give us as much strength to resist as we need. But it is not given to us in advance, lest we rely on ourselves and not on God alone. In such faith all fear of the future should be overcome. I believe that even our mistakes and shortcomings are not in vain and that it is no more difficult for God to deal with them than with our supposedly good deeds. I believe that God is no timeless fate but waits for and responds to sincere prayer and responsible actions.
